

SCOOBY-DOO AND GUESS WHO?

"SLEEPOVER SNACK SCARE"

Jeepers! It's Carli Lloyd, Megan Rapinoe and Alex Morgan!

COLD OPEN

INT. KITCHEN - HOTEL ROOM - NIGHT

In the penthouse suite, U.S. Women's National Soccer Team captains CARLI LLOYD, MEGAN RAPINOE and ALEX MORGAN prepare a variety of snack foods (nachos, popcorn, etc).

MEGAN

I'm glad we're finally getting to do this.

ALEX

I know, right? I can't even remember the last night we all had together to just have fun. Let alone be able to invite friends!

CARLI

Do you think we have enough snacks?

The trio look over a massive coffee table full of snacks.

MEGAN

I hope so. I don't know what else we could add.

ALEX

Why isn't my trail mix out here?

CARLI

Safety concerns. I've got a nut allergy, remember?

ALEX

You know the nuts won't leap out of the bowl and attack you, right?

CARLI

I mean, you never know. Weirder things have happened.

MEGAN

She makes a solid point.

EXT. HOTEL - SAME

Under a flickering streetlamp, COUNT BADIAVA, a caped, anthropomorphic vampire peanut, looks up villainously towards the penthouse.

END OF COLD OPEN

ACT ONE

INT. HOTEL - NIGHT

An elevator opens to reveal Daphne, Velma and Scooby, each carrying an overnight bag. Daphne rushes out.

 DAPHNE
Come on, hurry!

 VELMA
We're already early, Daph.

 DAPHNE
I know, but I'm too excited! We haven't gotten to have a girls night in -- well, like ever! There's always a mystery and we're always stuck in the Mystery Machine or some haunted castle with the guys.

 SCOOPY
Hey!

 DAPHNE
Don't worry, Scooby, I don't mean you. You're equally one of the girls.

She pets Scooby's head and he smiles.

INT. PENTHOUSE SUITE - CONTINUOUS

There's a knock on the door. The soccer trio answers. Daphne squeals with excitement.

 GANG
U.S. Women's National Soccer Team captains Carli Lloyd, Megan Rapinoe and Alex Morgan!

 ALEX
It's so great to see you girls again!

 MEGAN
And you too, Scooby-Doo.

 VELMA
I can't believe you're all in Coolsville.

ALEX

Yeah, apparently you're sister cities with Tirana, the capital of Albania, so this was where they wanted to have our first match.

DAPHNE

[OVERJOYED] Thank you, Tirana!

VELMA

Is that why you're staying in Little Albania?

MEGAN

Exactly. Plus the team got a really great discount on our rooms.

Scooby notices the table of snack foods.

SCOOBY

Is that for us?

CARLI

You know it! I hope you're all ready for a night of snacks, scary movies and ice baths! [OFF LOOKS] Or maybe just the first two.

Everybody hurrahs and high-fives.

CUT TO:

INT. LIVING SPACE - HOTEL - LATER

Velma, Carli and Alex share a blanket on a large couch. Daphne, Megan and Scooby sit on the floor. They watch television. A woman screams onscreen and everybody jumps, sending snacks everywhere. Carli turns the lights on.

CARLI

That was so much creepier than I expected.

VELMA

I don't know. The lore seemed a bit thrown together.

DAPHNE

And that monster was pretty clearly a guy in a mask.

CARLI
You act like you've seen that movie
before.

SCOOBY
No. We lived it.

MEGAN
Nice.

She high-fives a confused Scooby.

ALEX
Who wants some room service before
we start the next movie?

SCOOBY
Me! Me! Me!

ALEX
Anybody else? [OFF LOOKS] Looks
like it's just you and me, Scooby.
Think you could grab the menu? It's
next to my bed.

She points to another room. Scooby salutes.

SCOOBY
Aye aye, captain!

INT. BEDROOM - MOMENTS LATER

Scooby casually enters the room and turns on the light. He
walks straight to the side table and grabs the menu. On his
way out, his eyes are drawn to a soccer ball on a table near
the window. Curiosity peaked, he approaches it.

SCOOBY
Whoa...

He examines the ball all over. It's old, used and covered in
autographs.

Outside the window, behind Scooby, Count Badiava steps into
view, eyeing Scooby and the ball.

As Scooby stands and reaches for the ball, the vampire peanut
taps on the glass. Scooby turns.

COUNT BADIAVA
Ball! Ball!

SCOOBY

Yikes!

Everybody else runs to the room, just after Count Badiava has crept out of sight.

CARLI, MEGAN, ALEX

No! Don't!

Scooby remains frozen in fear.

DAPHNE

What's wrong?

SCOOBY

P-p-p--

CARLI

Step away from the ball...

Scooby slowly backs up. Megan runs up and examines it.

MEGAN

Looks clean.

The soccer trio breath a sigh of relief.

VELMA

What's so important about that ball?

CARLI

That's the Legacy Ball. Every player for the women's national team has signed it. It's our good luck charm.

ALEX

If anything happened to that the team would be devastated. That's why it's given to the captains to keep safe.

MEGAN

And only a player can touch it. That's crucial. [TO SCOOBY] So it's nothing against you personally, you're just not on the team.

DAPHNE

That explains the ball, but what was Scooby yelling about?

Everybody turns to Scooby, who suddenly recalls why he'd screamed for everyone.

SCOOBY
Peanut vampire!

EVERYBODY
Peanut vampire?

MEGAN
Is that some sort of snack food mascot or something?

SCOOBY
No. [POINTS OUTSIDE] Peanut vampire!

They all look outside - Nothing.

ALEX
I don't see anything.

DAPHNE
Me neither.

Shocked, Scooby looks out the window.

EXT. HOTEL - CONTINUOUS

As Scooby looks out, Count Badiava climbs into a window to another room.

INT. BEDROOM - CONTINUOUS

Everybody leaves the room.

SCOOBY
But I saw it!

ALEX
Maybe you're just hungry. Let's phone in that order.

She grabs the menu and walks out. Scooby looks at the ball and out the window once more.

INT. LIVING SPACE - MOMENTS LATER

Everybody sits on the sofa, watching television. There's a knock at the door.

MEGAN

Alex, I think your food's here.

ALEX

That was fast.

Alex answers the door and opens a tray on a food cart. It's a bowl of peanuts.

ALEX

I think there's a mistake, I asked
for no --

She glances up to discover the order's been delivered by
Count Badiava.

ALEX

-- nuts.

COUNT BADIAVA

Ball! Ball!

Everybody glances over at Alex as she stands at the door.

CARLI

Everything okay?

ALEX

Peanut vampire -- er -- vampire
peanut -- or whatever this is!

She takes a couple steps back and Count Badiava steps into
view of the others.

VELMA

Jinkies!

COUNT BADIAVA

Ball! Ball!

As the vampire peanut advances on them, everybody slowly
backs against a wall.

MEGAN

Ball?

DAPHNE

I think he wants your Legacy Ball.

COUNT BADIAVA

Ball! Ball!

SCOOBY

Told you.

CARLI
[TO VELMA] You've dealt with
monsters before... what do we do?

VELMA
Run!

They all speed past the Count. Megan slides under his legs,
into the bedroom and grabs the Legacy Ball.

MEGAN
Got it!

Count Badiava comes after her, but she drops it to the ground
and easily out maneuvers the peanut before passing it to
Carli. She kicks it up into her hands.

CARLI
Let's go!

They run.

INT. HOTEL - CONTINUOUS

Rushing to the elevators, they hurriedly press the call
buttons. None of the elevators open.

DAPHNE
Come on... come on...

Count Badiava bursts out of their suite.

COUNT BADIAVA
Ball! Ball!

ALEX
No time!

She points to a door for the stairs and they all run in. An
elevator opens and Count Badiava runs inside.

INT. STAIRWELL - CONTINUOUS

As they descend the stairs, every couple levels, Count
Badiava bursts through the door and scares them. Although he
swipes at the ball, they manage to evade him, and he runs
back to the elevator, each time.

Daphne, Velma and Scooby slow down, out of breath.

CARLI
Are you okay?

VELMA
Sorry... just... catching our
breath.

The soccer stars share a glance and nod.

ALEX
Hop on.

VELMA
What?

MEGAN
We'll get you downstairs. [TO
SCOOBY] Climb on, Scoob.

The gang shrugs and climbs onto the backs of Carli, Megan and Alex. They continue down the stairs.

INT. LOBBY - MOMENTS LATER

They exit the stairwell as an elevator lands. They scream.
RITA, an Albanian soccer player, covers her ears as she steps out of it.

RITA
What are you screaming about?

ALEX
Where's the peanut?

RITA
The what?

Scooby cautiously peeks into the open elevator.

SCOOBY
It's empty.

DAPHNE
Then where did it go?

RITA
Where did what go?

EVERYBODY
The peanut!

END OF ACT ONE

ACT TWO

INT. LOBBY - NIGHT

Everybody stands around Rita, Carli holds the Legacy Ball.

RITA
You're all nuts.

DAPHNE
No, really, we were being chased by
a vampire peanut.

Scooby pulls a tablecloth off a side table and uses it as a
cape as he pretends to be Count Badiava.

SCOOBY
Ball! Ball!

RITA
Oh, this is about your lucky ball?
You girls are so superstitious.
Just relax, we're going to beat you
regardless.

ALEX
Beat us? In your dreams.

VELMA
Do you play for Albania?

RITA
Yeah. I'm a winger.

DAPHNE
Is your team staying here too?

RITA
My teammates are.

DAPHNE
Where are you staying?

RITA
With my parents. They immigrated
here a few years ago. But that's
all you need to know. I don't want
to get too chummy with the
competition. [THEN] See ya.

She brushes past them, out of the hotel.

DAPHNE
She seemed suspicious.

ALEX
[GROANS] Rita's the worst.

DAPHNE
You know her?

ALEX
We've played her a few times.

MEGAN
She does not accept defeat
graciously.

VELMA
Interesting...

CARLI
What are you thinking, Velma?

VELMA
Just that maybe it's not a
coincidence she was in an elevator
at the same time as that vampire
peanut.

STAVRI (O.S.)
Vampire peanut?

REVEAL: Sitting behind the front desk, STAVRI, an old
Albanian man, stops reading and puts on his glasses.

STAVRI
I did hear you correctly, yes?

MEGAN
Yeah. Do you know something about
it?

STAVRI
Only what I've heard from Albanian
legend...

EXT. ALBANIA - NIGHT (FLASHBACK)

BLACK/WHITE: Albanian VILLAGERS carry torches and pitchforks
as they march towards a castle on a hill.

STAVRI (V.O.)

Many years ago, in a small village in Albania, the townspeople were terrified of an outsider who had built a castle on their land, the mysterious Count Badiava.

INT. CASTLE - CONTINUOUS

BLACK/WHITE: COUNT BADIAVA, as a normal human, experiments with a variety of nuts in a makeshift laboratory. The villagers break down his door, much to his surprise.

STAVRI (V.O.)

Confused by his experiments and worried he had brought a curse upon their land with his dark magic, they stormed his castle late one night, with plans to kill him.

Shadows cast on the walls by the torches illustrate the villagers attacking the Count.

STAVRI (V.O.)

Catching him by surprise, the Count was easily overpowered by the townspeople.

EXT. CEMETERY - LATER

BLACK/WHITE: The villagers carry a coffin into a cemetery behind the castle. They dump it into an empty grave and cover it with dirt.

STAVRI (V.O.)

Locking his body in a coffin, they buried him in a grave in the castle cemetery. Of course, they didn't realize the Count's garden of peanut plants lay just beyond, and his essence seeped from his body into one large nut... a vampire peanut.

As the villagers leave, peanut vines creep over the fresh grave as lightning flashes.

INT. LOBBY - BACK TO PRESENT

Stavri removes his glasses and returns to his book.

STAVRI

Of course, that's just a legend.

Scooby cowers behind Alex, shaking with fear.

CARLI

That's a -- uh -- interesting legend.

VELMA

So Count Badiava was working with dark magic?

STAVRI

You know, I never really thought about it. I guess so.

ALEX

That doesn't explain why he wants our Legacy Ball.

STAVRI

I didn't say I was an expert on him, I just know the legend.

ALEX

Thanks, I guess?

STAVRI

Any time.

He returns to his book.

MEGAN

Seems like we've got a real mystery going on. [OFF LOOKS] What?

DAPHNE

That's usually what Fred says.

MEGAN

Who?

DAPHNE

Nevermind.

VELMA

I guess this is as good a time as any to split up.

ALEX

Is that really the best idea? Wouldn't we be safer as a group?

CARLI

I was thinking the same thing. The more of us the better, right?

Daphne, Velma and Scooby are stunned by this revelation.

DAPHNE

Wouldn't we cover less ground that way?

ALEX

Maybe, but we'd have more eyes on the ground we do cover. And we'd be able to communicate with each other. The right hand should know what the left hand is doing, you know?

VELMA

I -- uh -- I can't really find any fault in that logic.

SCOOBY

We've been doing it all wrong.

MEGAN

Great. It's settled. Let's investigate.

INT. PENTHOUSE SUITE - MOMENTS LATER

As they enter, DRITA, an Albanian cleaning woman, leaves with her custodial cart. She gently nods at them.

DRITA

All clean.

CARLI

Thank you.

Carli closes the door behind her.

ALEX

Guess that rules out finding any clues in here.

MEGAN

Why's that?

ALEX

That woman cleaned the room. Anything the Count Badiava guy left behind's probably gone now.

VELMA
Not quite... look!

Velma retrieves some crumbs from the floor.

DAPHNE
[GASPS] Crumbs? The staff here
clearly doesn't know how to
properly clean a room.

VELMA
Lucky for us though, because these
aren't just any crumbs, they're
part of a peanut shell.

CARLI
You think he cracked?

VELMA
Not sure...

MEGAN
That's great, but it doesn't really
put any of this mystery together.
We still have no idea why he wants
to steal the Legacy Ball or where
he's hiding...

DAPHNE
Is there anywhere else here you'd
find a soccer ball? Maybe he's just
after them all in general.

The trio of players look at one another and smile.

EXT. ROOFTOP SOCCER FIELD - MOMENTS LATER

They step onto the field.

VELMA
They have a soccer field on the
roof?

CARLI
It's one of the reasons we wanted
to stay here... besides the amazing
discount on the rooms.

Alex puts the Legacy Ball on a rack of balls.

ALEX
Anyone up for a little fun?

She grabs a regular ball and juggles it with her feet.

MEGAN

You're on!

Alex maneuvers her way across the field, Megan chasing her.

ALEX

Velma!

She passes it to Velma, who awkwardly runs the ball down the field. Carli swoops in and steals it.

VELMA

Hey!

CARLI

Sorry, Velma! [THEN] Scooby!

She passes it to Scooby just as Megan tries to steal it. He takes the ball towards a goal.

DAPHNE

I'll stop him!

Daphne stands in Scooby's way, but he flips the ball over her head as he slides under her. He cartwheel kicks the ball into the goal. Everybody stares, jaws dropped.

MEGAN

That. Was. Insane!

Everybody laughs.

CARLI

We might need to make you an honorary member of the team.

Scooby blushes. Alex runs over.

ALEX

Where's the Legacy Ball?

MEGAN

I thought you had it.

ALEX

I put it on the rack with the others, but it's gone.

MEGAN

The ball?

ALEX
The whole rack.

They look around.

DAPHNE
Jeepers! Over there!

She points across the field where Count Badiava pushes the rack of soccer balls towards the elevators.

COUNT BADIAVA
Ball! Ball!

ALEX
He's got the Legacy Ball!

MEGAN
Get him!

They chase after the vampire peanut.

With no elevators opening, the Count turns to the stairwell. He pauses at the top of the stairs. Everybody crashes into him, knocking the cart down the stairs, spilling the soccer balls everywhere. They bounce down the stairs.

Scooby, the women and the Count exchange concerned glances.

COUNT BADIAVA
Ball! Ball!

Everybody rushes down the stairs after the balls.

INT. STAIRWELL - CONTINUOUS

They bump and shove each other as they stumble down the stairs, grabbing at the various soccer balls. Each one that isn't the Legacy Ball, they toss behind themselves.

CARLI
Nope.

DAPHNE
Not this one.

MEGAN
Where is it?

Scooby spots the Legacy Ball far ahead of them and points.

SCOOBY
There!

Everybody stops checking the bouncing balls and zones in on that one. Carli grabs it just before the Count can and hops on the hand rail, sliding down the staircase.

As she quickly speeds away, the others follow suit, and throw soccer balls at the Count as they pass him by.

INT. LOBBY - MOMENTS LATER

As they exit the stairwell, Carli has the Legacy Ball tucked under her arm.

CARLI
That was close.

ALEX
Did he touch it?

CARLI
I don't think so.

MEGAN
How did he know we were up there?

DAPHNE
He must have followed us.

Rita exits the stairwell.

RITA
I did not follow you. I just didn't want to wait for the elevator.

ALEX
I thought you'd left.

RITA
It's none of your business, but I went to grab some things for the girls from my parents' house. Now I'm leaving for the night.

MEGAN
Sure you are...

With a roll of her eyes, Rita brushes past them and exits.

DAPHNE
That's the second time Rita's shown up where that Count Badiava peanut creep had been.

VELMA

It would make sense that a rival player might want to steal that ball... especially before a game.

CARLI

She's intense, but I don't think she'd try to steal from us.

ALEX

I don't know. It'd be an awfully big coincidence she was in the same place as that monster both times.

VELMA

Yeah, I really can't decide which makes more sense.

MEGAN

Maybe we should get some rest and figure this out in the morning.
[THEN] I mean, look at Scooby.

Scooby's asleep on the floor, his face smushed against the carpet. The women laugh.

SCOOBY

Huh? What happened?

CARLI

We're going to bed, you big mutt, come on.

They get into an elevator together.

Behind the front desk, Stavri suspiciously lowers his book and eyes them as the elevator doors close.

END OF ACT TWO

ACT THREE

INT. PENTHOUSE SUITE - NIGHT

Carli, Megan, Alex, Daphne, Velma and Scooby sleep in a jumbled mess of sleeping bags and blankets on and around the couch. Scooby's ears perk up at the sound of the door being unlocked and opened.

SCOOBY
Daphne? Velma?

He realizes everybody's asleep and slowly peeks over the couch to see Count Badiava entering the room.

SCOOBY
[GULPS] Megan?

Scooby shakes Megan.

MEGAN
Huh? What is it, Scoob?

SCOOBY
V-v-vampire...

She fully wakes up.

MEGAN
He's here?

Scooby nods and points. Megan glances over the couch. The Count walks around the room, searching.

MEGAN
How'd he get in?

SCOOBY
The door.

MEGAN
You let him in?

SCOOBY
He had a key.

MEGAN
Interesting...

The Count gives up and leaves.

SCOOBY
That was close.

MEGAN

Good thing I kept her with me.

Megan pulls the Legacy Ball out of her pillow.

INT. KITCHEN - HOTEL ROOM - DAY

Daphne, Velma, Carli and Alex rub their eyes and yawn as they make their way in. Megan and Scooby are wide awake, busy fixing an elaborate breakfast.

CARLI

How long have you two been up?

DAPHNE

Are those pancakes?

MEGAN

A few hours. [THEN] And yes.
Pancakes, waffles, bacon, eggs,
fruit, toast and cereal... whatever
you want, we've got it.

ALEX

Why aren't you more tired?

MEGAN

We solved the mystery.

VELMA

[MID-BITE] Wait. What?

SCOOBY

Case closed.

VELMA

How?

MEGAN

Count Badiava paid us a little
visit last night.

They gasp.

CARLI

He did?

MEGAN

Yep. Walked right into our room.

DAPHNE

He has a key to the room?

MEGAN
Precisely.

VELMA
Jinkies! I think I know who it is too!

Megan, Scooby and Velma share a smile.

ALEX
Are one of you going to tell us?

DAPHNE
No. If you don't figure it out you have to wait until the monster's unmasked.

MEGAN
We've also got an idea for the perfect trap.

CARLI
As long as I don't have to touch him. [OFF LOOKS] Allergies.

They all share an "oh, right" moment.

CUT TO:

INT. LOBBY - LATER

Carli, carrying the Legacy Ball, and Scooby get off an elevator and approach the continental breakfast area.

CARLI
Hang on. How am I going to carry a plate of food with this ball in my hand?

SCOOBY
Beats me.

CARLI
Guess I better set it on this table for a minute while I go over there, out of view.

SCOOBY
Good idea.

She sets the ball on the table and walks with Scooby, around a corner, to the breakfast buffet. Scooby grabs a plate.

CARLI
What are you doing?

SCOOBY
Getting breakfast.

CARLI
We're not really eating. This is
part of the trap, remember?

SCOOBY
[REALIZING] Oh yeah. [THEN] Can I
get a waffle?

CARLI
[SIGHS] Fine.

As Scooby excitedly gets a waffle, Count Badiava rushes in
and grabs the ball.

Behind the front desk, Megan looks at a security camera
monitor. She gets on a walkie talkie.

MEGAN
He took the bait.

INT. VENDING MACHINE SPACE - CONTINUOUS

Alex, Daphne and Velma stand beside an ice machine. Velma
peeks out as the Count approaches. She radios back.

VELMA
We see him, over. [TO GIRLS] Ready?

Alex and Daphne give a thumbs up.

INT. HALLWAY - CONTINUOUS

As Count Badiava makes his way up the hall, a sudden rush of
ice cubes blasts out from the side space, filling the path
ahead of him. He skids to a stop and starts running the other
direction. Carli and Scooby appear at the other end of the
hall with a luggage cart and push it towards the Count.

The cart crashes into him and drives him towards the ice. It
heads straight through the mound of ice. As it exits the
other side, the ball is encased in a block of ice and Count
Badiava is near frozen and shivering. The cart hits a doorway
and launches the Count and the ball into the parking lot.

EXT. PARKING LOT - CONTINUOUS

Count Badiava hits the pavement. The ball skids, melting the ice, to a stop under Megan's foot. She lowers her sunglasses.

MEGAN

Looking for this?

She juggles the ball with her feet and as the peanut approaches, kicks it into the air.

Count Badiava looks up and watches as the ball hits the bottom of a platform, hanging off the roof, knocking a large laundry cart off. The cart lands upside down on the Count, his head poking through the bottom.

Everybody runs out and celebrates.

ALEX

We got him!

CARLI

Now let's see who this Count
Badiava vampire peanut really is...
[THEN] Somebody else has to take
the mask off.

Megan steps up and pulls off the mask to reveal Drita, the cleaning woman.

EVERYBODY

The cleaning lady?

RITA

Mom?

Rita runs over from her car.

EVERYBODY

Mom?

DRITA

It's Drita.

RITA

Mom, what are you doing in this
crazy costume?

Stavri races outside to join them.

STAVRI

Drita's innocent!

RITA

Dad?

EVERYBODY

Dad?

STAVRI

It was my idea. I'm the guilty one.

DRITA

Stavri, no!

RITA

What's going on?

VELMA

I think I can explain. You see, when your parents heard that the Albanian and American teams would be competing in town, they offered an amazing deal to make sure they stayed in their hotel. Then, since they had access to all the rooms, they decided to use the legend of Count Badiava to protect their own identities as they stole the Legacy Ball. The peanut shells I found after Drita had said she cleaned the suite may have seemed like an overlooked mess, but had actually fallen off her cart, which was where she hid her costume.

RITA

Mom, dad, why?

DRITA

We thought if we took their important ball, then maybe it could help you win.

RITA

But I want to win fair and square.

The parents lower their heads.

STAVRI

Oh... It may be too late for that. Your mother touched the ball. That breaks the luck.

CARLI

Actually, you touched a decoy.

She rubs the signatures off the decoy ball. Megan pulls the real Legacy Ball out from behind her back.

MEGAN

I've got the real one right here.

The parents' faces lighten up.

STAVRI

Thank goodness for you meddling
kids and U.S. Women's National
Soccer Team captains Carli Lloyd,
Megan Rapinoe and Alex Morgan.

DRITA

Does this mean everything's okay?

ALEX

Sure. Can't blame parents for
wanting to help their kid. [THEN]
But this doesn't mean we'll go easy
on your daughter or her team.

RITA

Good, because we don't need you to.

Everybody laughs.

SCOOBY

Scooby-Dooby-Do!

DAPHNE

Boy, I wonder if Fred and Shaggy
had as interesting a night as us.

CUT TO:

INT. MYSTERY MACHINE - SAME

Fred and Shaggy are passed out in the back of the van,
surrounded by junk food. A video game plays on a small
screen. An alarm sounds and Fred groggily checks it.
Surprised, he frantically starts getting ready.

FRED

Shaggy, get up!

SHAGGY

Like, what's the problem, Fred?

FRED

We were supposed to pick up Scooby
and the girls an hour ago!

END OF SHOW
